CHICAGO, March 18.-Wheat broke

sharply to-day under a deluge of long hold-

ings, May closing with a net decline of 11/3c

strength by comparison. The former clos-

ing 1/601/4c, and the latter 1/8c lower. Pro-

May wheat opened %@%c lower at 7716c

rid themselves of holdings which suddenly

became worthless to them when they

summed up the situation early. Liverpool

failed to reflect Saturday's advance here.

To this potent consideration were added

causing a rally to 77%@77%c, following the

opening. Desertion from their already

thinned ranks soon rendered further re-

sistance useless, as outside aid, which had

been hoped for, failed to materialize. The

heavy primary receipts, small seaboard

clearances, and disappointingly light visible

decrease, together with the lack of export

inquiry, were influences which struck the

market after it had declined half a cent,

and many sold-out longs were reported to have sold short under 77c. Under this pres-

sure May slumped to 76c. It took an fore-

noon to accomplish this decline. The trade

had been excited and large. At the bot-

tom transactions fell off in volume, and the

pit became more quiet. Shorts took profits

and the market rallied to 76%c, but closed

neavy 1%c lower at 76%c. Exporters re-

ported but two loads taken. Seaboard

clearances in wheat and flour were equal to

General Electric's advance was an outgrowth of the supposition that new control of Manhattan would hasten its electrical equipment. The rise in the other grangers was palpably in sympathy with Burlington, St. Paul alone standing back. Missouri Pacific seemed to be marked up in an endeavor to revive the strength of Southwesterns, but the maneuver proved moved independently, including Sugar, Tobacco, Consolidated Gas, People's Gas and American Snuff preferred. The New York, Chicago & St. Louis stocks, Pacific Coast second preferred, Lake Erie & Western preferred, and Louisville & Nashville were all conspicuously strong. The weakness of the coalers was due to fears of a miners' strike. Great Northern preferred re-ELGIN, March 18.-Butter steady at 21/2c.
